

# Activity Book

Can you find Moppy?

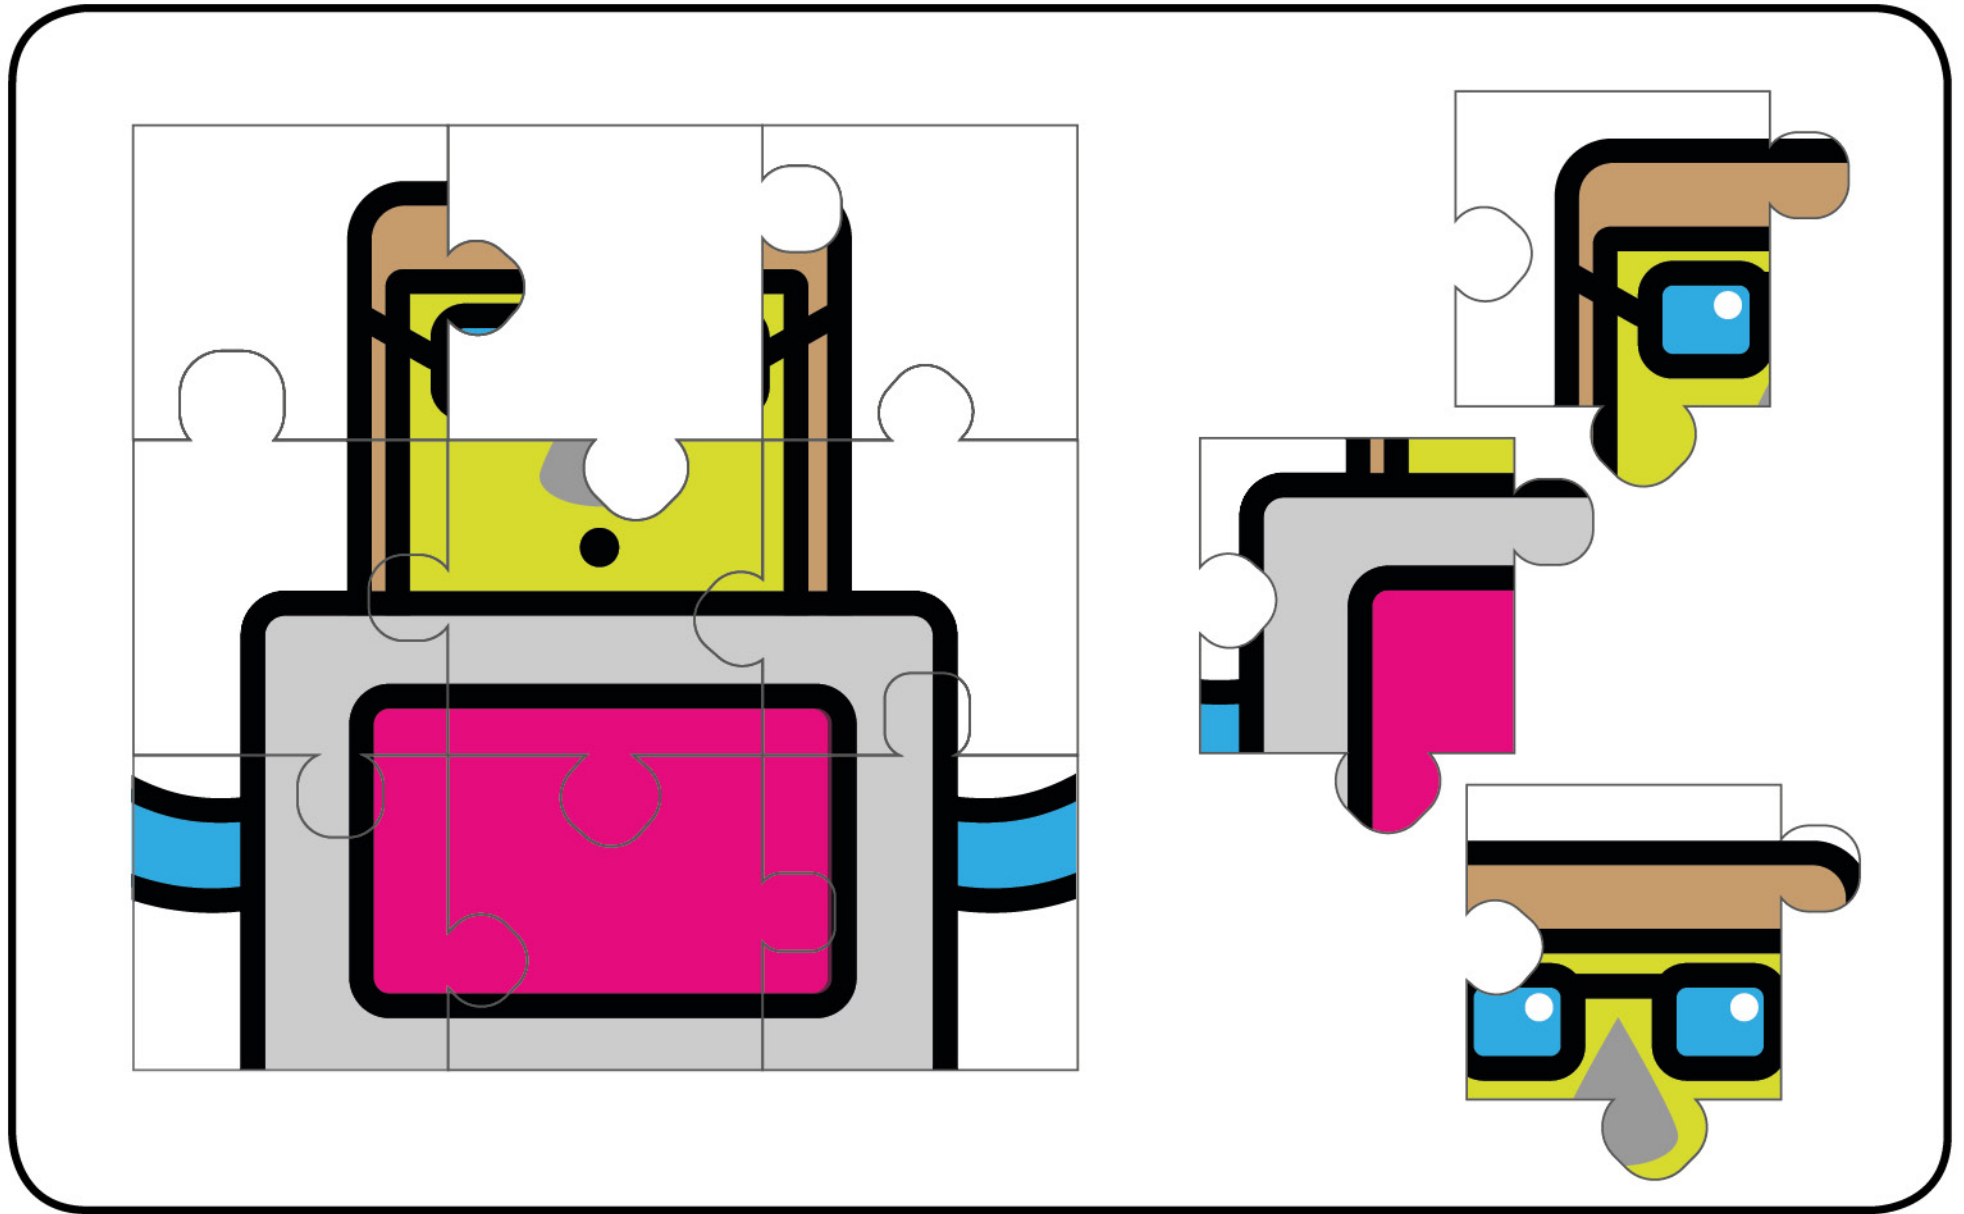

Find the matching picture of Scoot

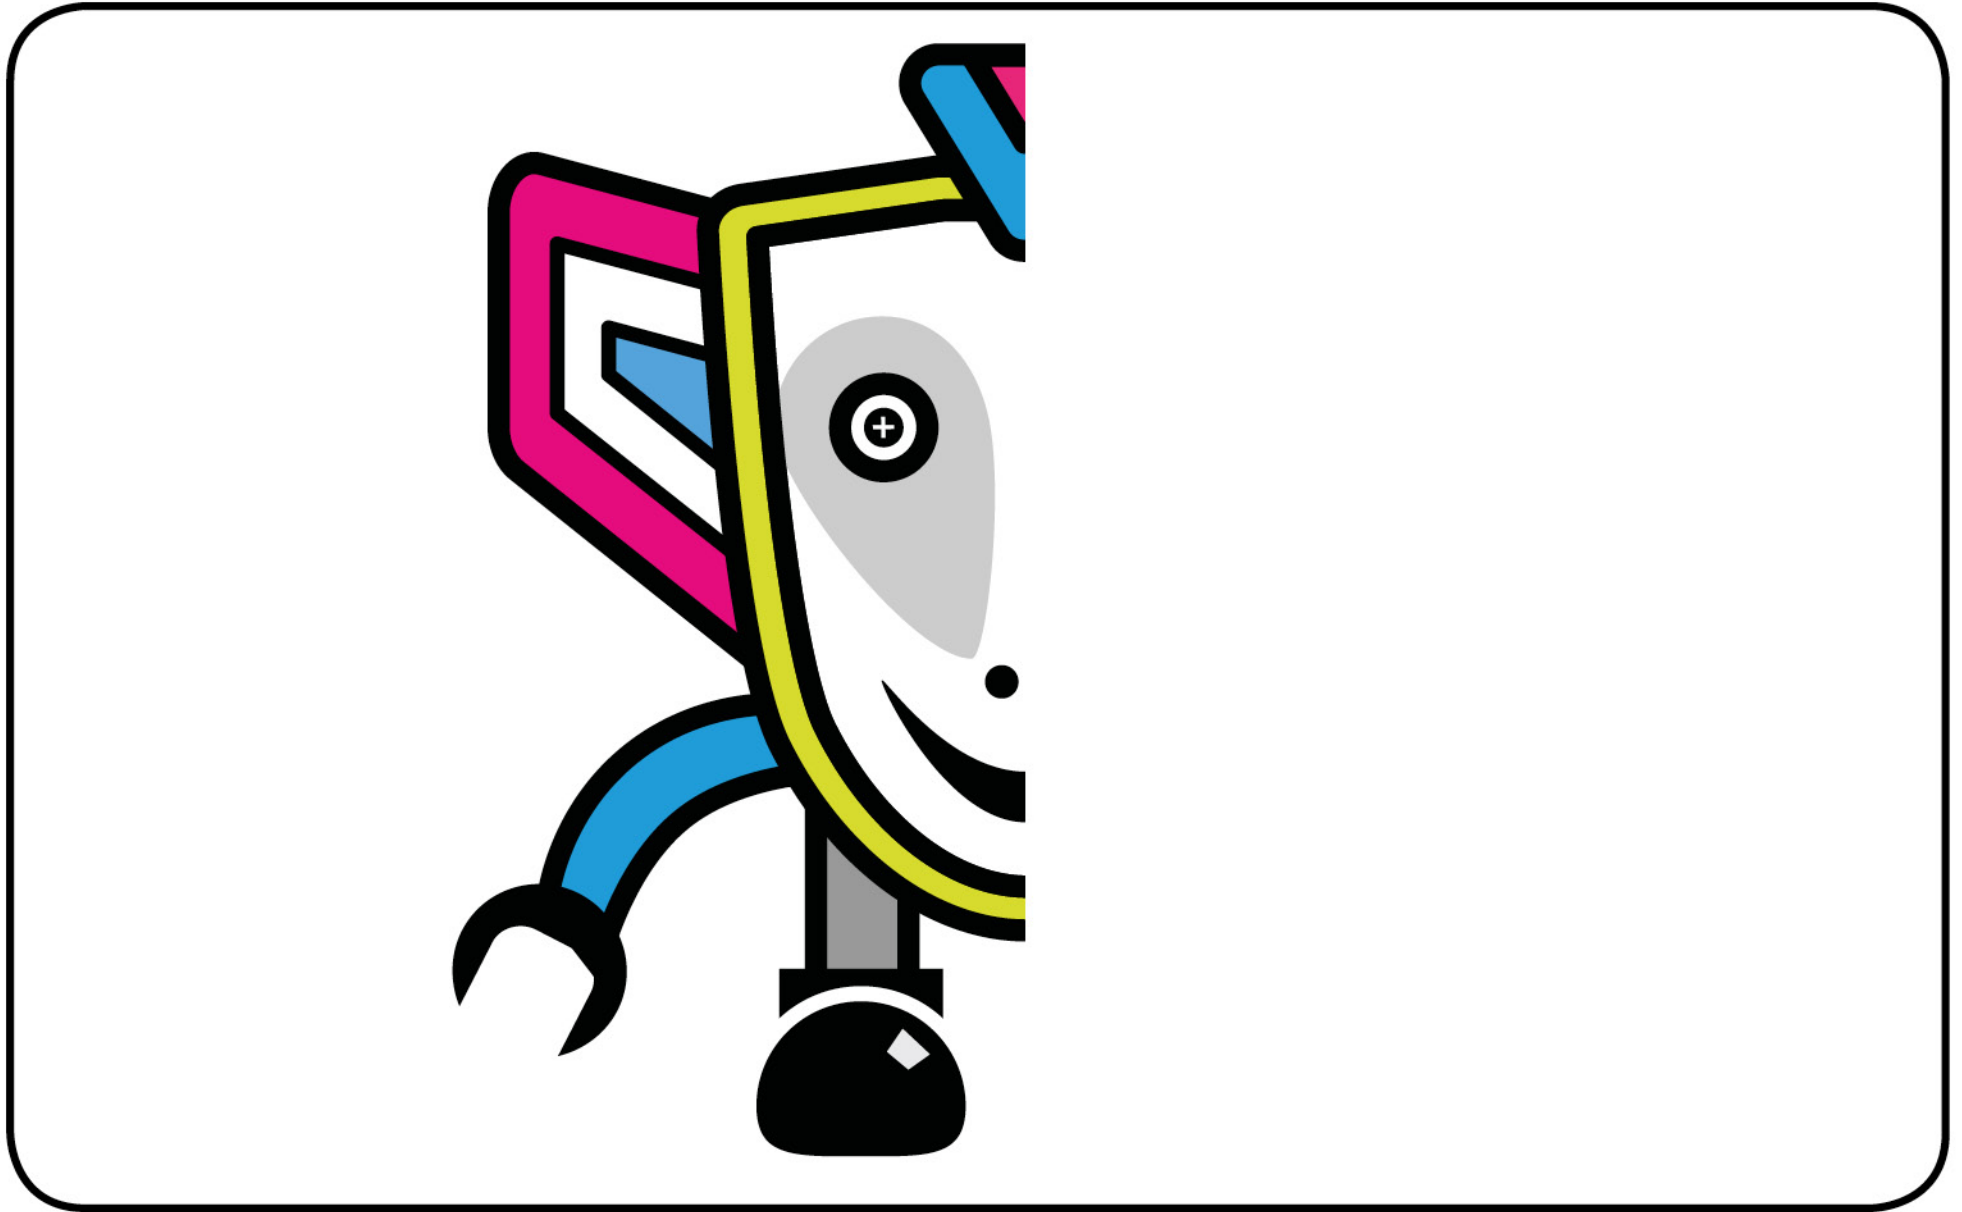

Servi has built 3 sandcastles  
Draw 5 more. How many now?

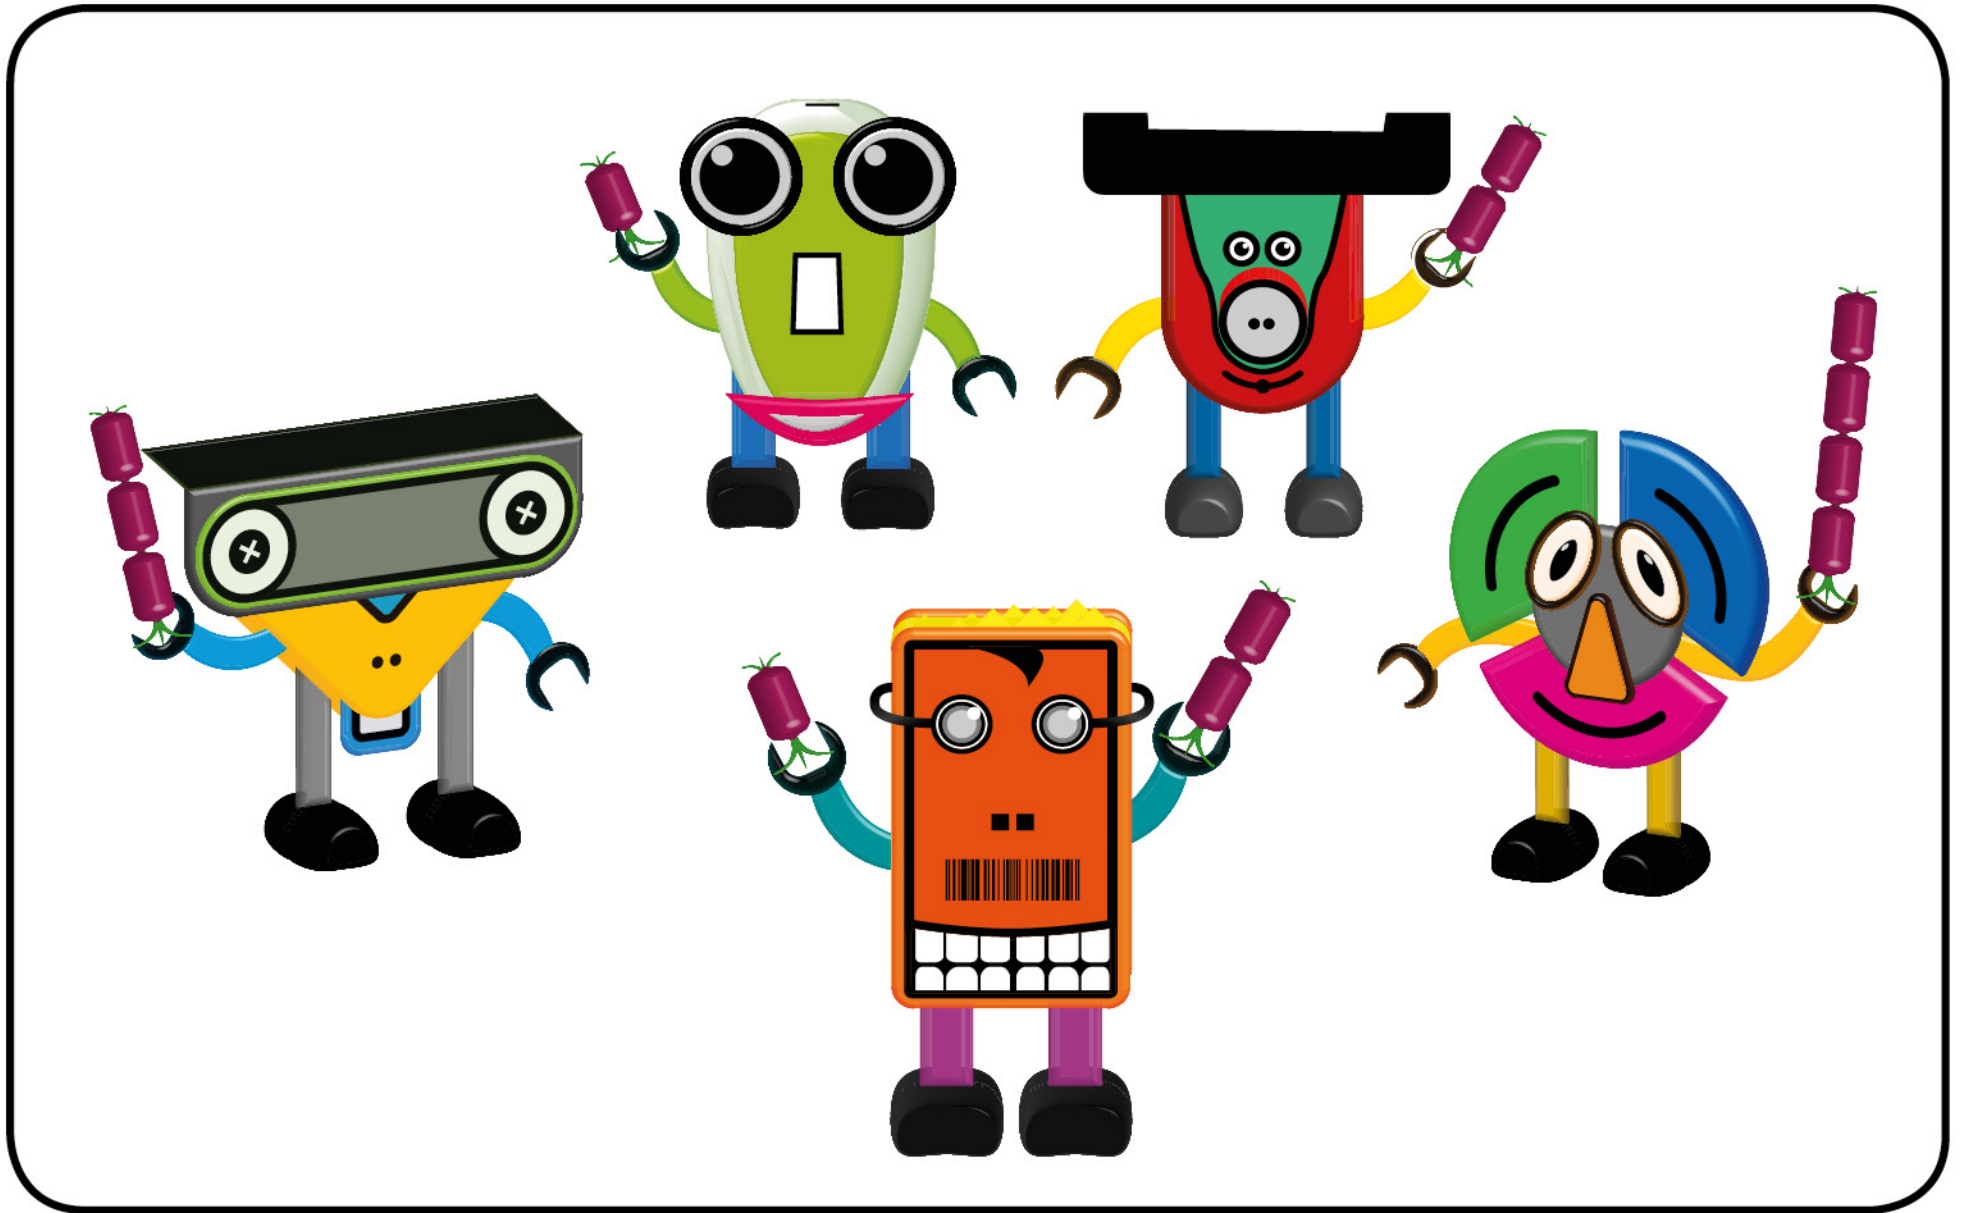

Which is the missing piece of this Chip jigsaw?

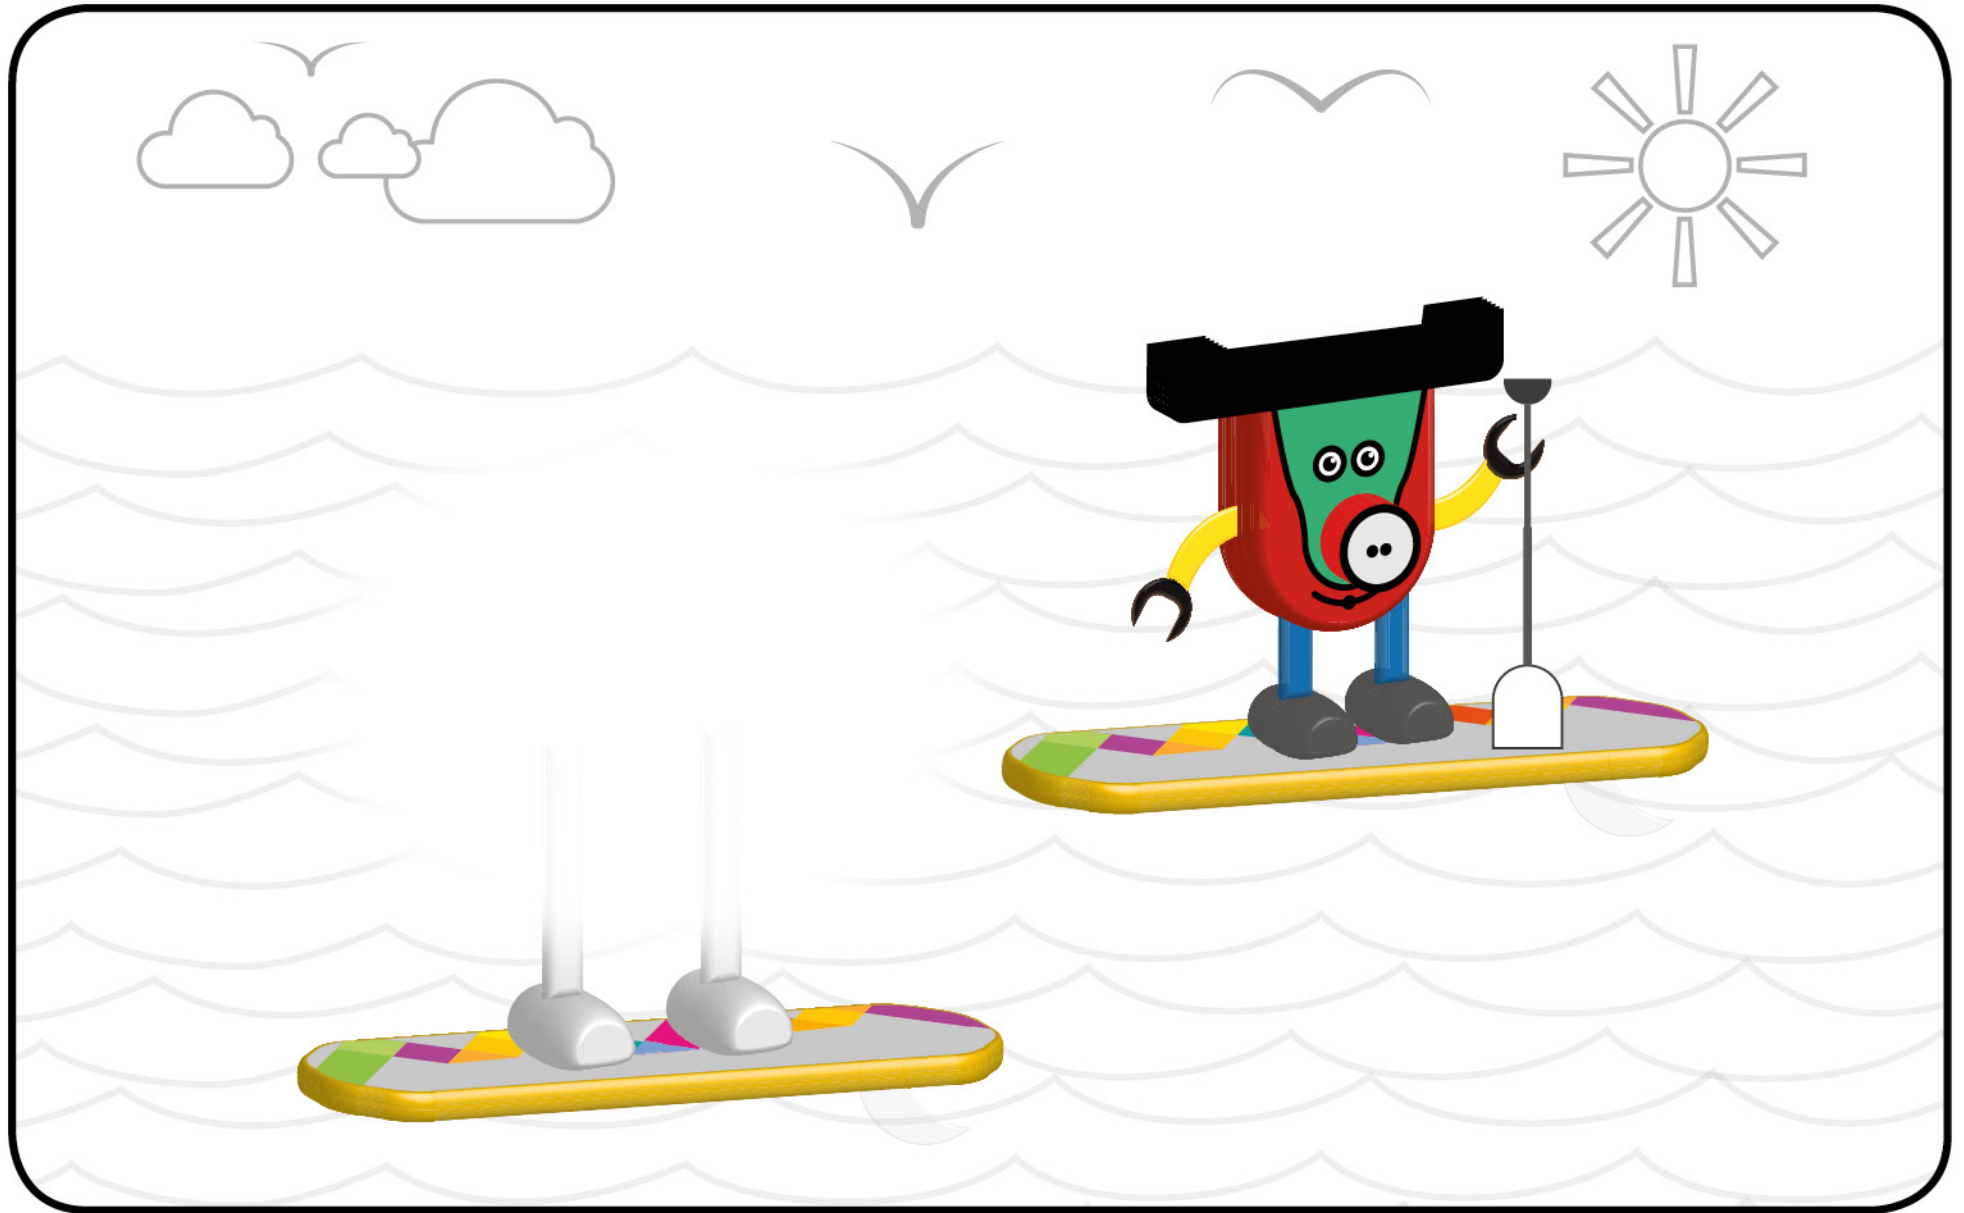

Can you find Moppy?

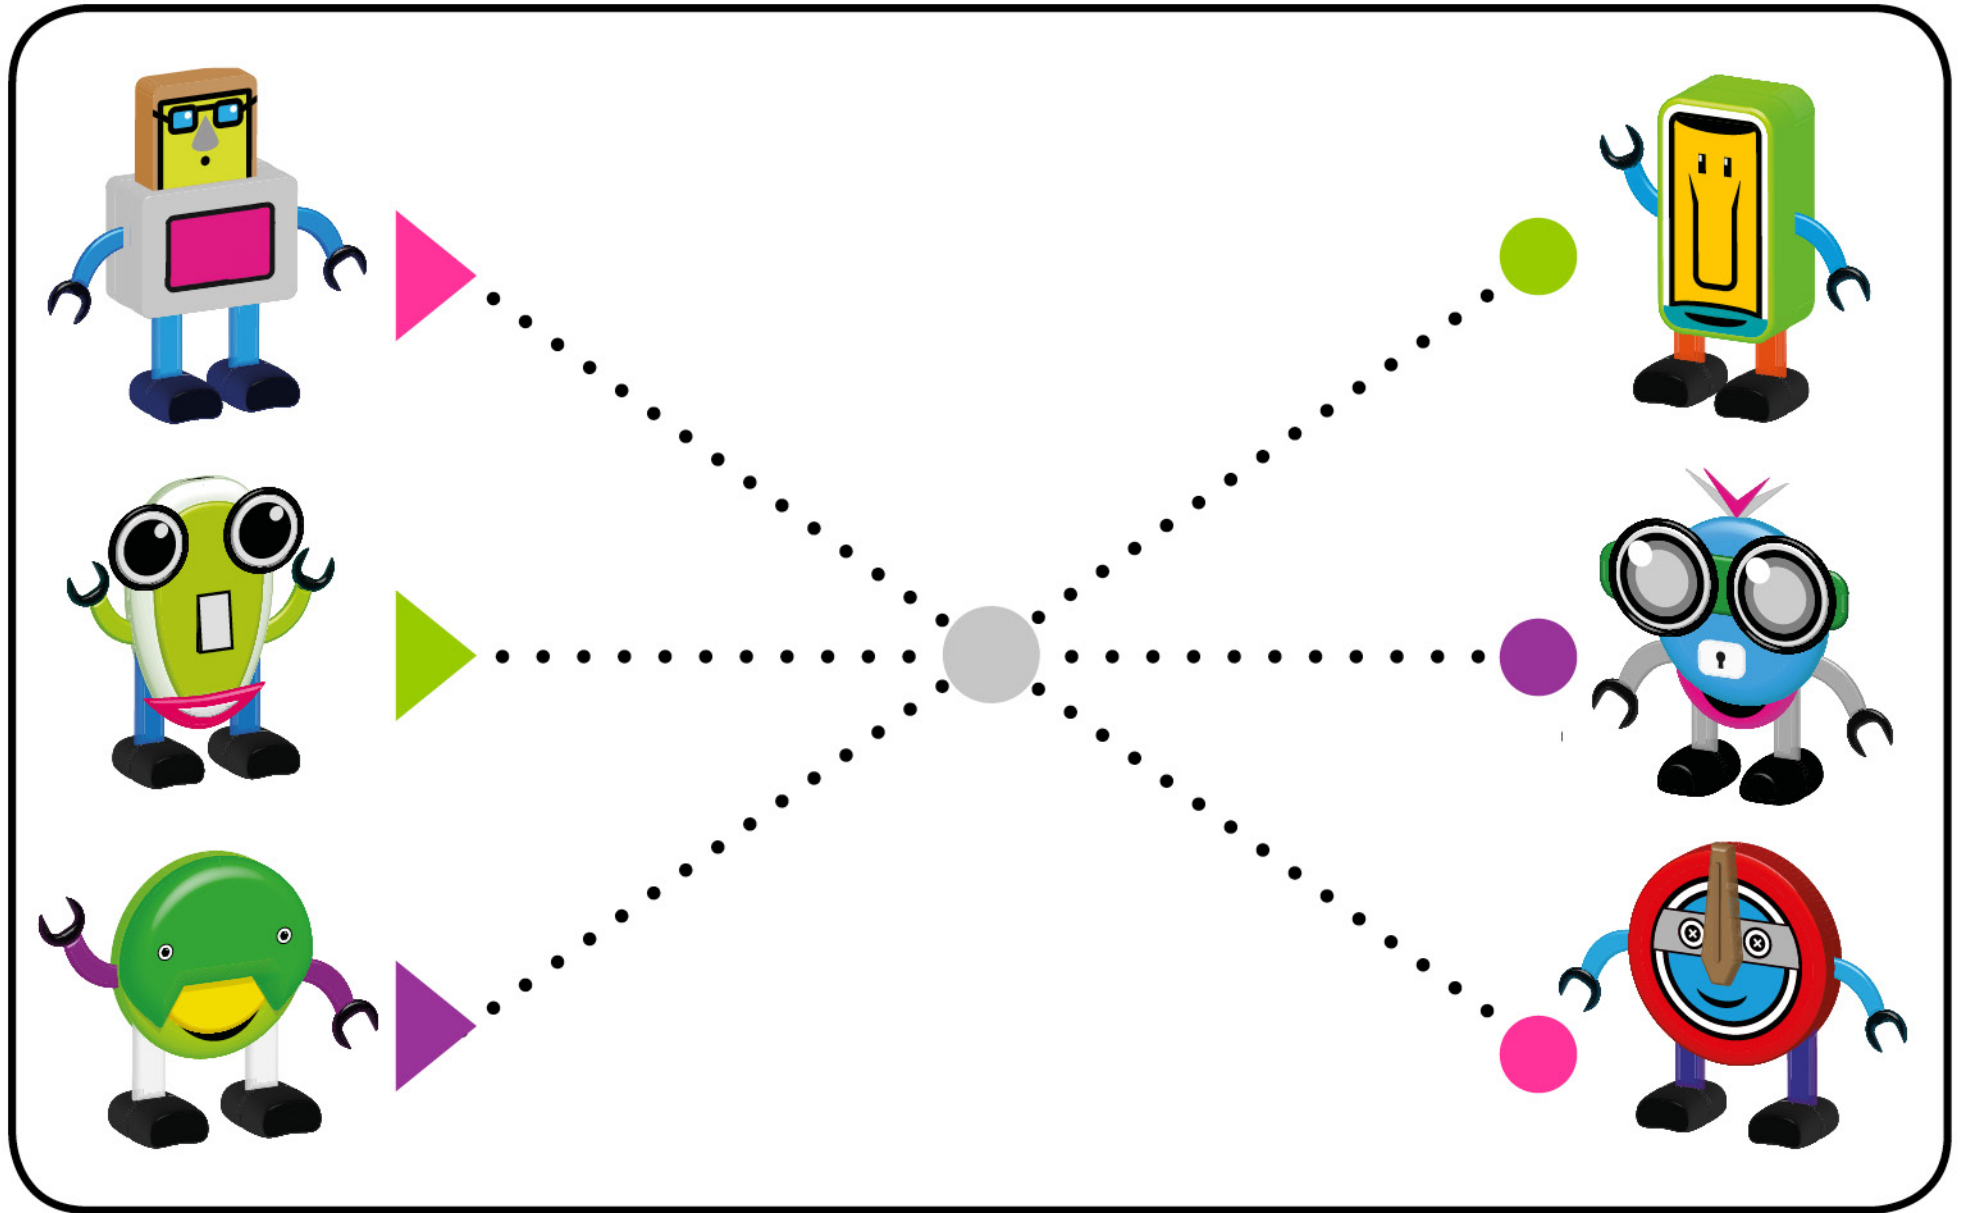

Draw the rest of Scoot.

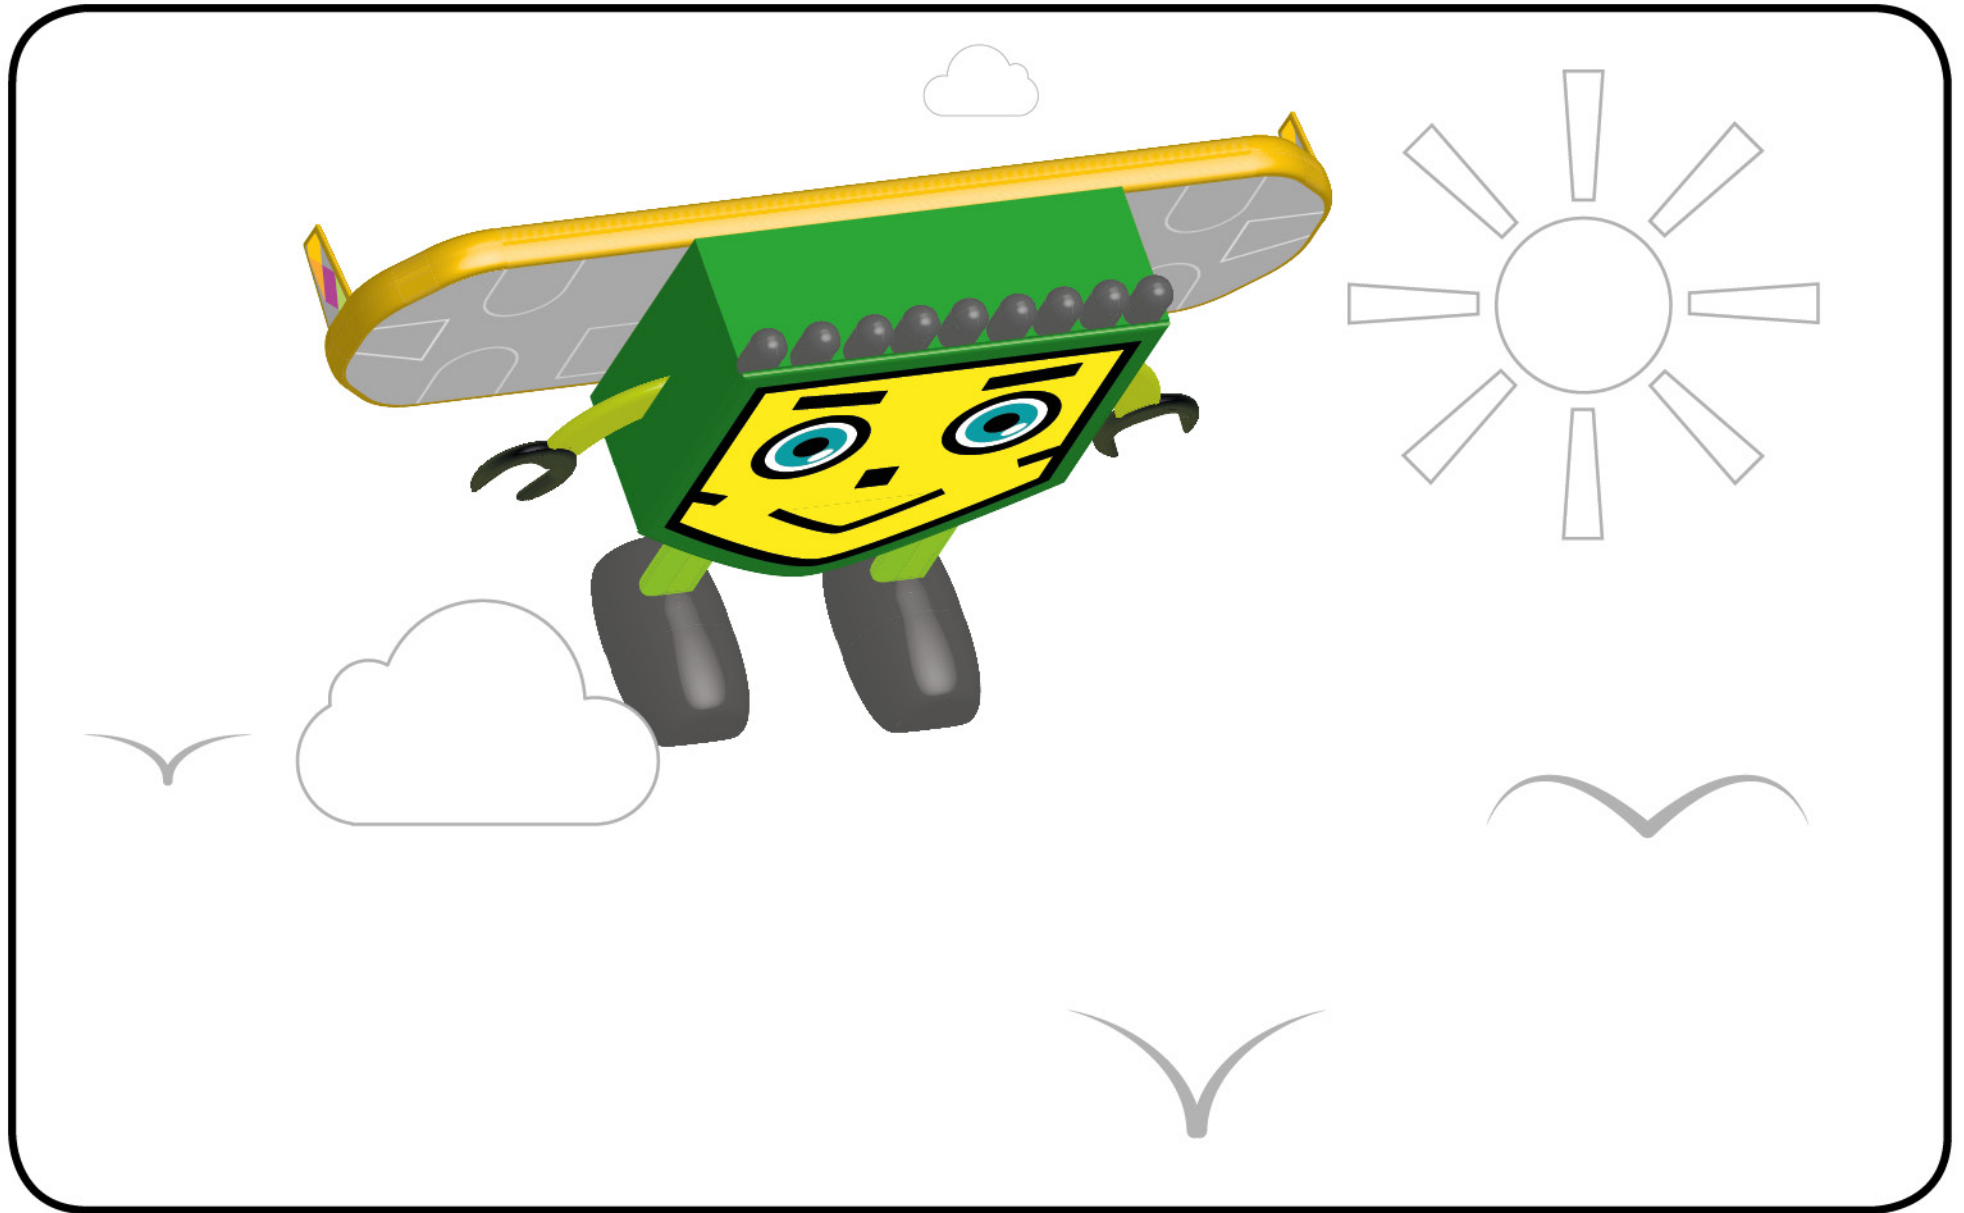

Which Metta has the most Dniks?

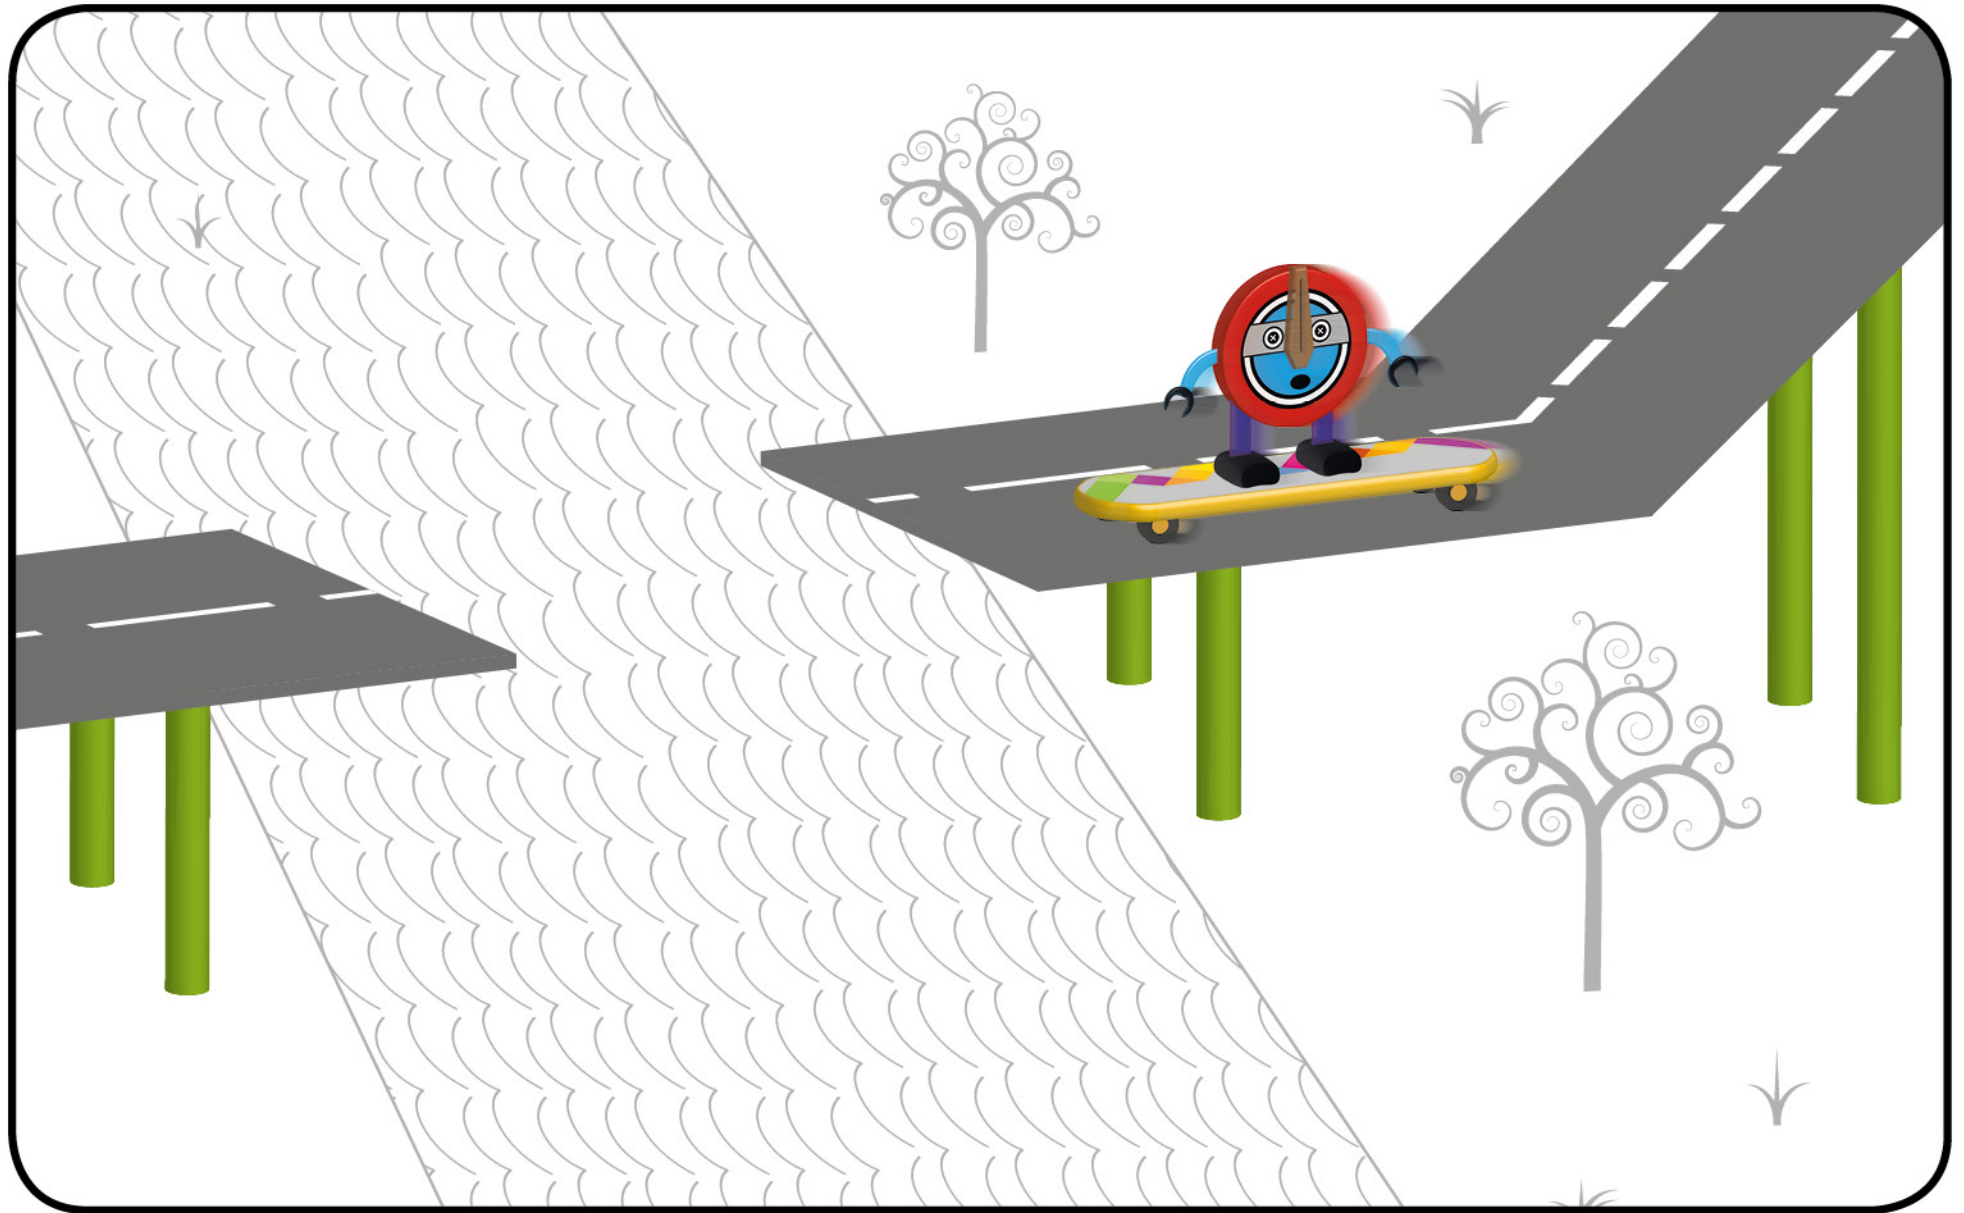

Which Metta would you like to draw to go WAG paddling with Ina.

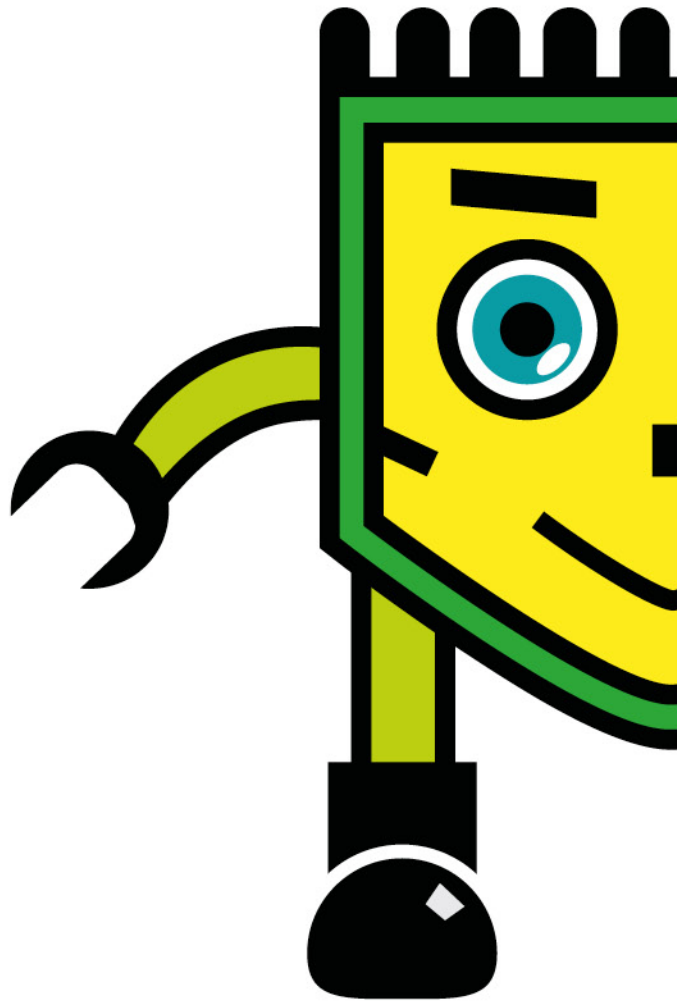

Draw lines to help Chip meet Shift,  
Beam meet Servi and Glow meet Lens.

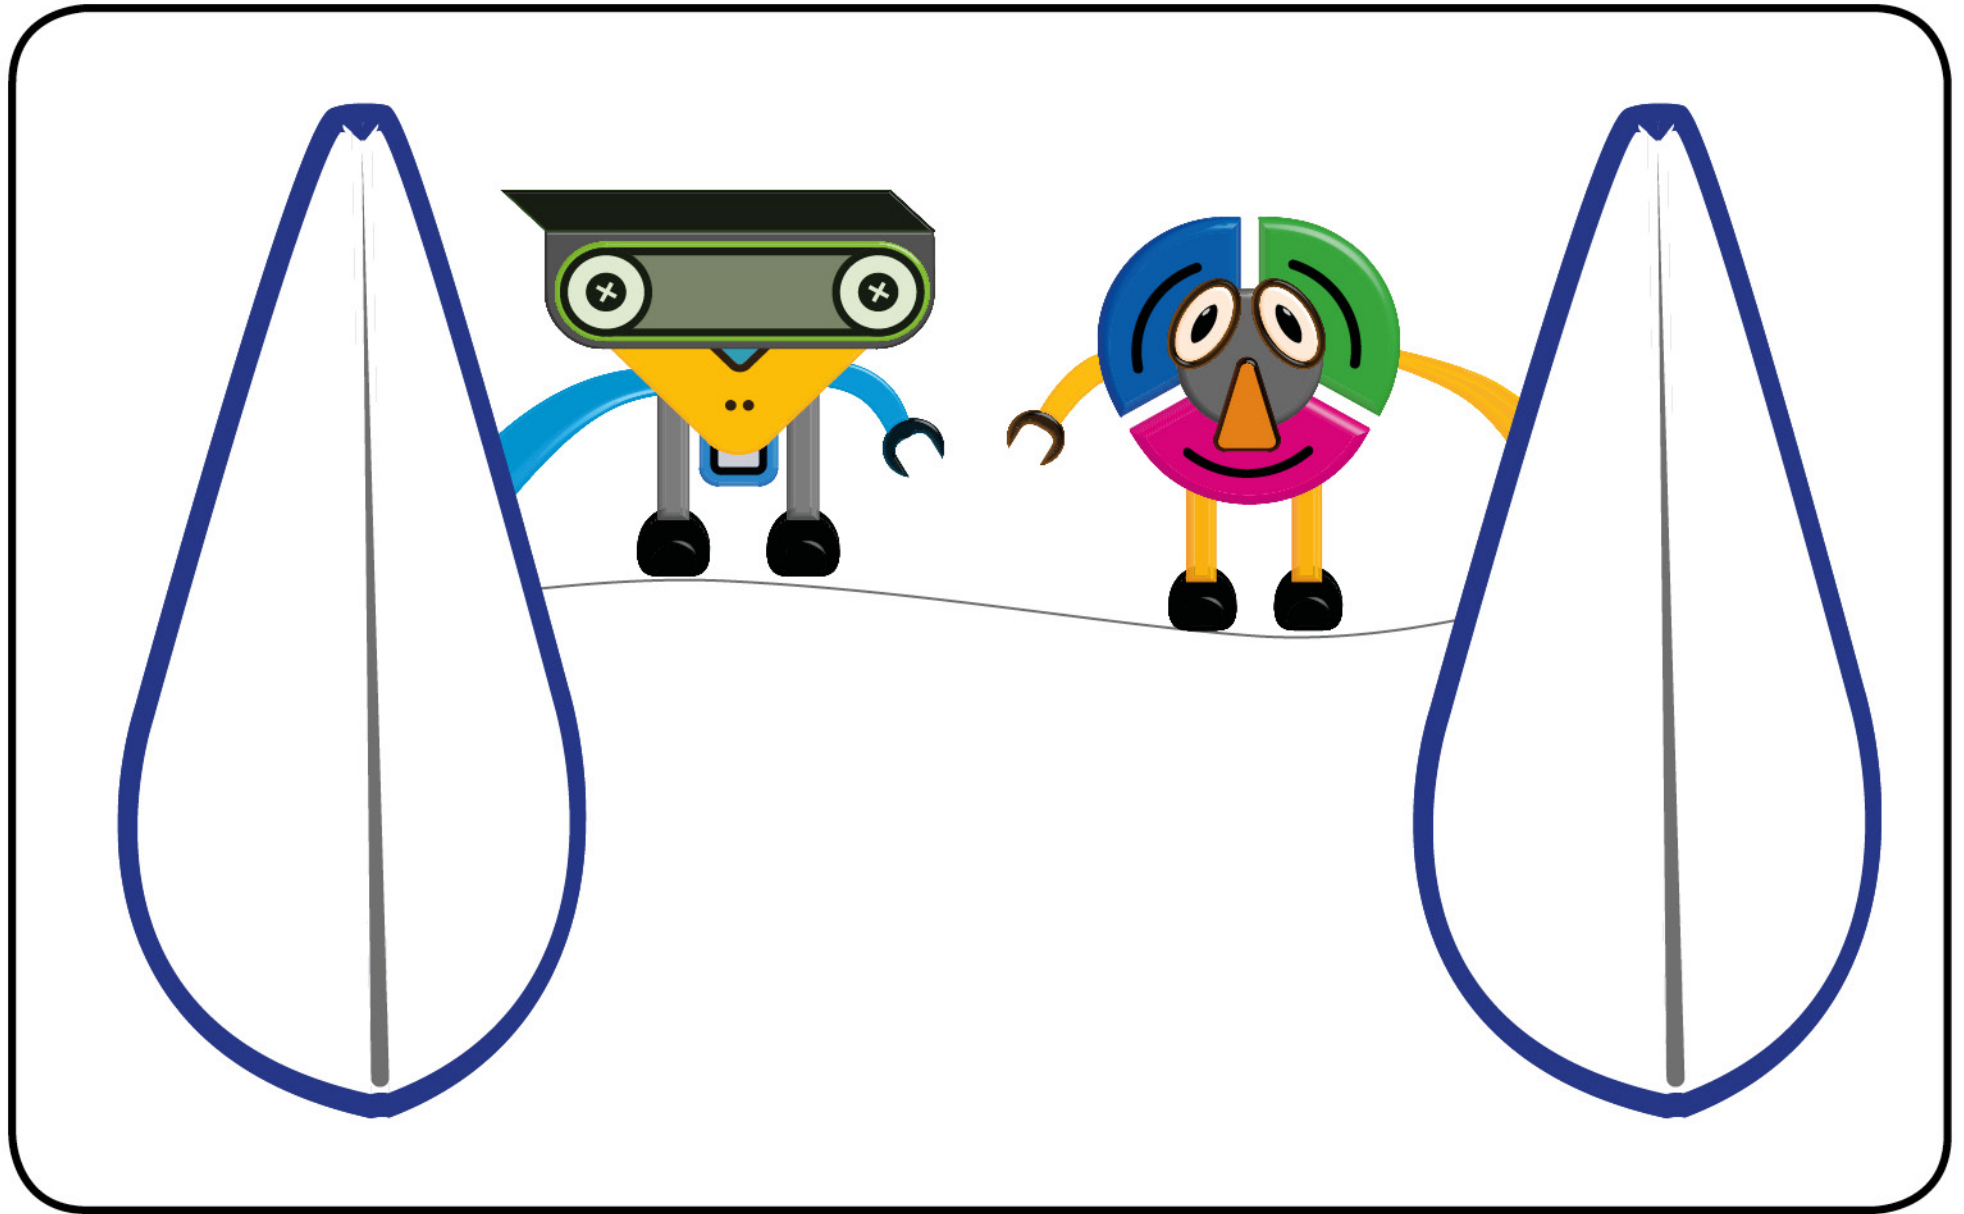

Moppy is using the WAG in the sky.  
How many birds if you draw 3 more?

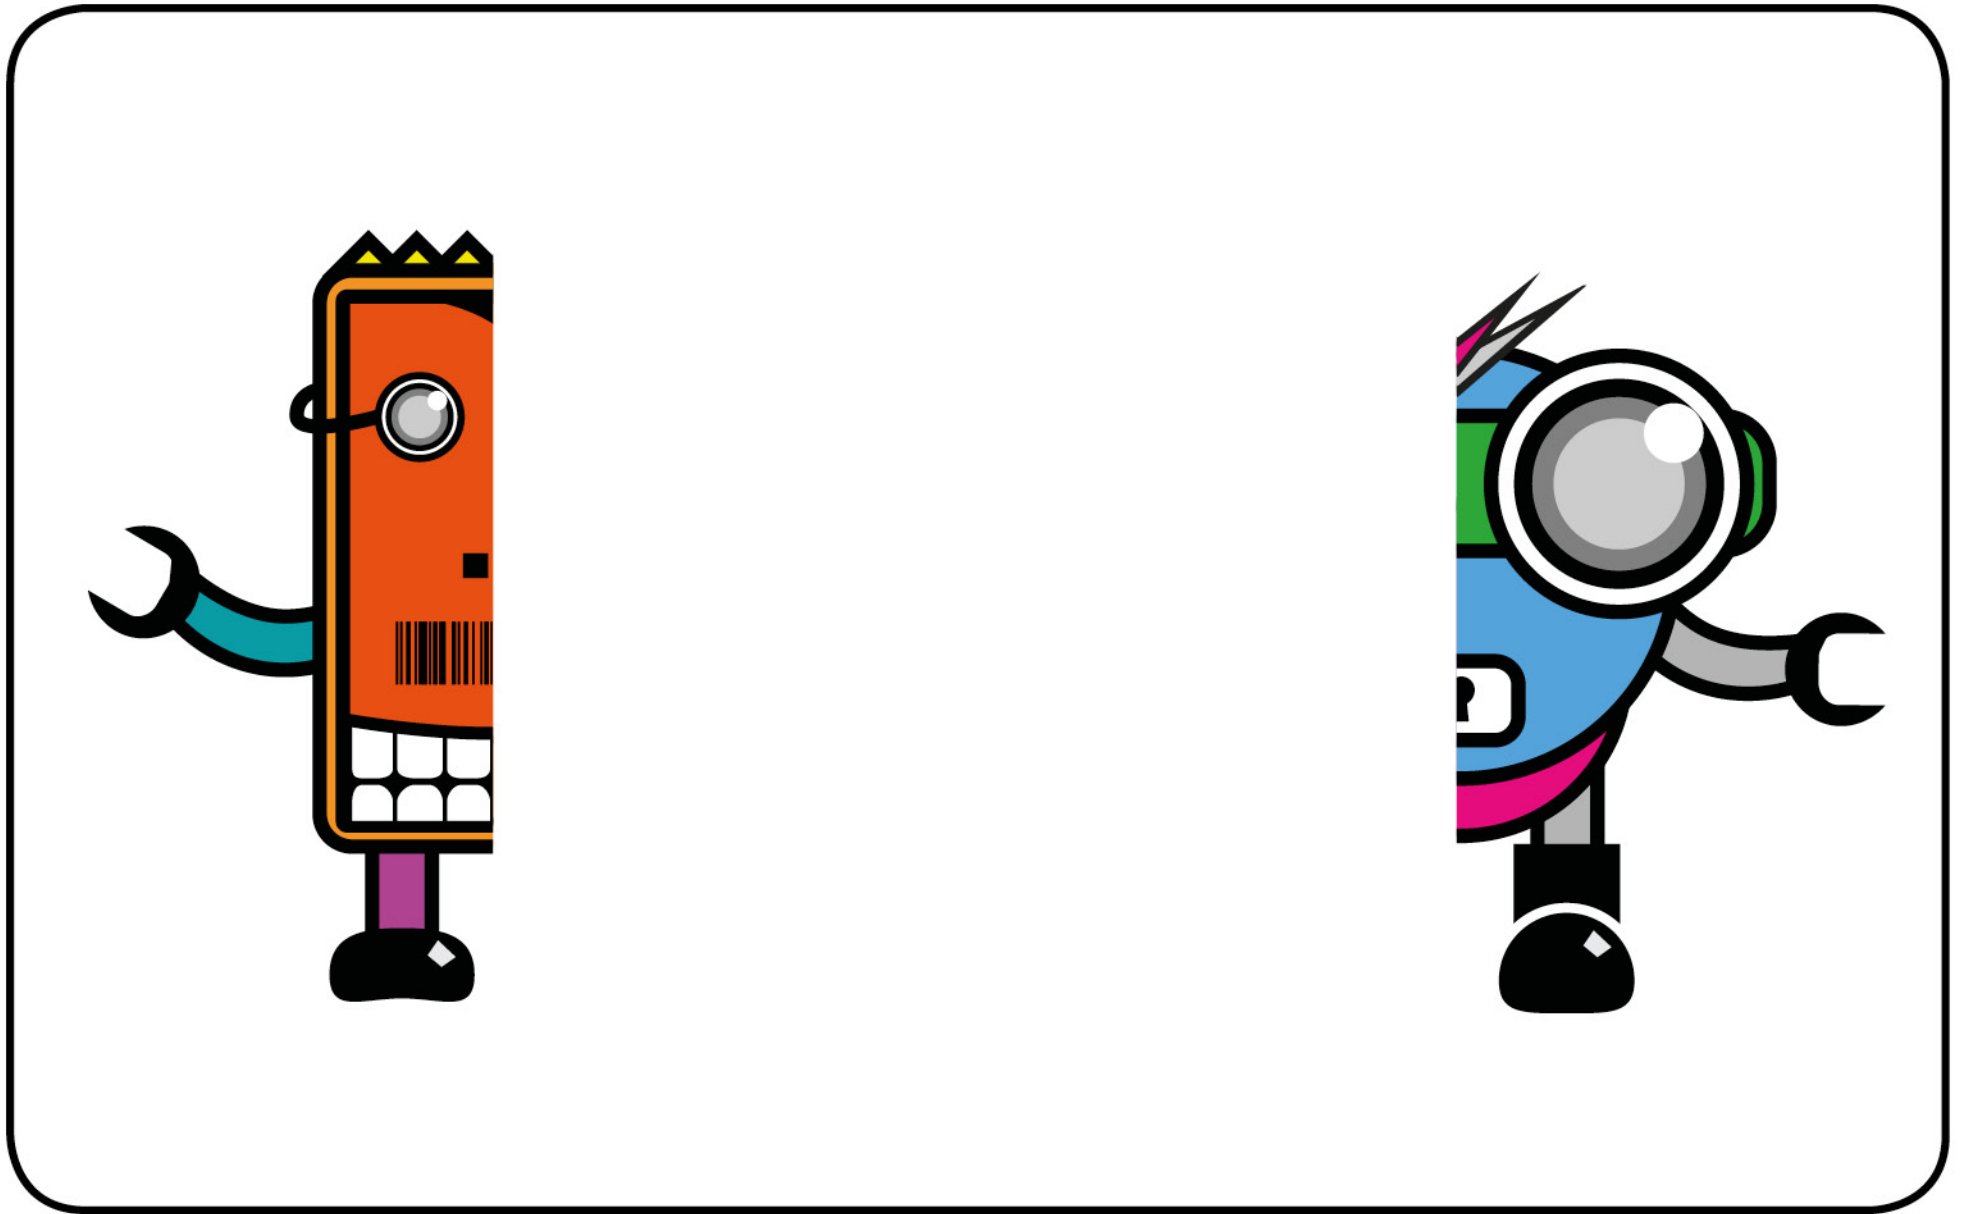

Please can you be very kind and fix the bridge before Shift crashes into the water?

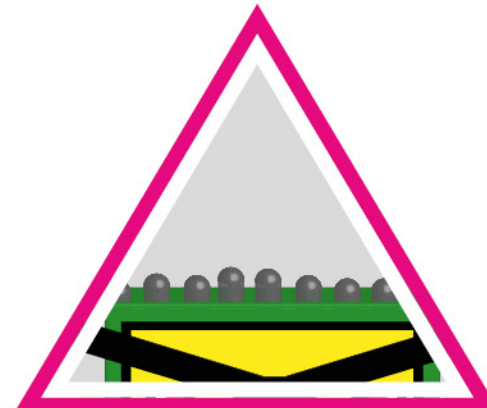

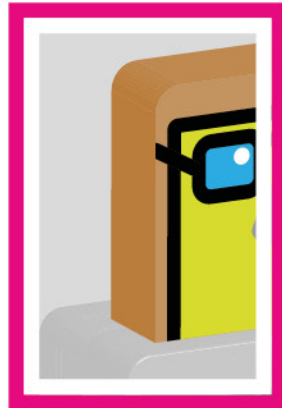

Draw the rest of Moppy.

Draw and colour the inside of  
Gee's and Spin's Erah's.

Draw the rest of Tig and Lens.

Which Metta's are in the blue triangle and pink circle?
